INDIANA LAW ANNOTATED

Vol. 7, No. 15

December 5, 1994

GRADE POSTING INFORMATION

Your fall semester grades will be posted by your exam number, unless you select an "envelope" procedure.

To avoid posting, you can submit a separate envelope for each of your courses to the Recorder's Office by Tuesday December 20. In submitting envelopes, you must:

Place your name, Bloomington address, and a stamp on each envelope, with a separate course name and faculty name on the back of each. As the grades become available for each course, the applicable envelope will be mailed to you. Since the grades will not be due from the faculty until January 16, it is best to put your Bloomington address on envelopes.

The grade distribution and average course grade for each course will be posted on the board and also will be included in individual envelopes.

As an exception to the posting procedure, grades in selected courses with very small enrollments and grades in directed research projects will not be posted. Such grades may be picked up at the Recorder's Office when the notice of their availability is posted, unless you have submitted a stamped envelope to be mailed.

Absolutely no grades will be given out over the telephone.

EXAMINATIONS AND COMPUTERS: REMINDER AND ELABORATION

The School has a regulation forbidding the use of computers (laptop or otherwise) in examinations. After discussion, the Academic Regulations Committee understands this prohibition to prohibit use of computers as a resource in "open book" exams as well as use in actually composing exams.

We encourage you to stop in as you have questions regarding employment, interviews, sticky situations involving offers, and any other career-related questions. We are here to help! Our hours are 8:00 a.m.-5:00 p.m. and we're open during the 12 noon hour. Holiday closing dates occur far after the examination period and are listed on our front door. Best wishes for a successful conclusion to the fall semester. Enjoy the semester break!

Accepting/Declining Offers

When extended an offer of employment, you should either decline or accept the offer in person by telephone call. This is proper business protocol. You should then follow-up the conversation with a written piece of correspondence confirming the conversation. Declining and accepting offers should always be done on a timely basis. Remember, your fellow classmates may be the next in line for the job. Any questions, please see Kelly Townes.
